About Phillip Rothengatter 1940-2008

Phil is a gem carver!

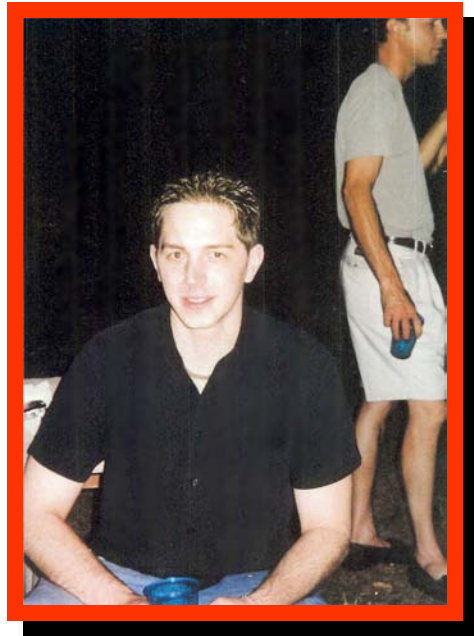

Phil Rothengatter is a respected stone carver and goldsmith. Phil designs and casts high karat jewelry. Phil Rothengatter has become proficient at capturing the three-dimensional appearance of fire agate and sculpting incredible works of art.

He has two huge working vegetable gardens, 35 citrus trees and produces enough to sell and share with friends. He and his wife have 3 1/2 acres of several thousand Saguaros and Golden Barrel cactus and exotic cactus that he grows - many from seeds. Phil is also a great cook.

Phil and Ginger Rothengatter enjoy traveling. This photo was taken while dining in Seville Spain after visiting Barcelona and Madrid Spain.
