**About Skeeter Hughes and Patti Fowler 1940 – 2008**

**Skeeter and I celebrated our 40<sup>th</sup> year of marriage in 2008. Skeeter and I have had the opportunity to live in several different places in Arizona, but still think of Globe as our home.**

**When we think of how the friendship, we shared in high school lead to a life of 40 years together, we get a chuckle “because who would have known.”**

**We have been blessed with 6 wonderful children and 5 grandchildren (no great grand children yet). Our children are all healthy, happy and successful. We are thankful that they all live in Arizona**
