

Betty Vasquez (Jermeay)

### About Betty Vasquez (Jermeay) 1940 – 2008

After graduation I married Ruben C. Licano in 1959. We had five children, Ruben A. Jr., Steve, John Anthony, Marie Christine and Peter Paul. While raising my children in Globe, I was involved in school activities at Noftsgar Hill School. I was also den mother for the cub scouts. I also worked at Yellow Front for five years. I divorced in 1973 and moved to Coolidge, AZ in 1974. I worked various jobs, finally working for Pinal County as a deputy clerk III. I retired in 2003 after 24 and a half years. In between all these years, I lost my son John in 1995 to a terminal illness. I married Norman H. Jermeay in 1996. In 2001 I was diagnosed with breast cancer, stage II. I am now cancer free, thanks to God. **I am a Cancer Survivor!!!!**

My children are now grown with their own children and are all doing fine. My oldest son, Ruben Jr. is a grandfather 10 times. My daughter Marie is also a grandmother.

Now I just putter around the house. I am retired but there is always something to do in a household. During the tax season I volunteer my time helping AARP as a facilitator. I also teach Sunday school to the “middlers” class, ages 9 through 12 at my church. I enjoy doing this and I too am learning more and more as I teach the children.
